NARRATIVE:

Fernando Curiel is a documented gang member and has an extensive adult criminal history that began at the age of 19. His convictions include carrying a loaded firearm, a firearm access violation, domestic violence with injury, multiple cases of petty theft, multiple cases of battery, vehicle theft, under the influence of PCP, several cases of possession of controlled substances, DUI and multiple cases of contempt of court. He has served multiple state prison terms, the longest being a 3 year term for a firearm access violation. Curiel was released from state prison to the supervision of the Los Angeles County Probation Department on June 14, 2016. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in March 2016 after he absconded from post release community supervision (PRCS). Curiel qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for a firearm access violation is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
